Hello! My name is Johnny. I am 13 years old and I live in England. I want to tell you how I spend my leisure time.

In nice weather, I go for a walk or ride my bicycle . I love rollerblading. I play football, basketball or Frisbee in the park and when it is rainy I go to the sports centre. I play table tennis or go swimming. I play the guitar too .

At home I listen to music ,read magazines and books , connect to the Internet or play computer games . In the evenings I watch TV. I play chess or cards with my friends. At the weekend I go hiking, fishing or to the cinema.
