#### SECTION – A (READING)

#### UNSEEN COMPREHENSION

#### Read the passage carefully and answer the following questions:

Once there was an ant and a grasshopper who lived in a field. Every day the ant got up early and walked far to gather seeds. She worked the whole day without stopping for rest. The grasshopper spent the whole day playing, lazing in the sun. Why do you work so hard ant?" he laughed. Summer is here. Why waste time in gathering seeds? The ant ignored the grasshopper's teasing and continued to work hard. This made the grasshopper laugh more. Soon winter came and was followed by autumn. The fields were covered with snow and the grasshopper had no food to eat. Grasshopper hurried to Ant's home. He knocked on her door. "Ant," he said, "Give me some seeds?" Ant looked at Grasshopper. "I worked hard all summer long, while you laughed at me," Ant said. "You should have worked in the summer instead of singing and dancing. Then you would have full belly now.
